

Royal Holloway Couples and Families Accommodation 2024/25

Royal Holloway has a small number of flats and houses suitable for couples and families. These are only available to EU and international postgraduate students in their first year of study who are studying full time.

As the number of properties available is very limited, please note that if we are able to make you an offer, it will not be possible for us to offer an alternative if the property offered to you isn't suitable for your requirements.
